Overview

The Schlage L909x Series is the next generation of electrified mortise lock. The series utilizes the latest technology to offer tremendous utility and flexibility.

- Universal input voltage – accepts 12 or 24V DC for installation flexibility
- User selectable fail safe/fail secure – changing mode between EL and EU is as simple as flipping a switch on the lock case
- Low maximum current draw – 0.4amps - allows multiple locks on a single power supply
- Low holding current – 0.01 amps – produces minimal heat, eliminating “hot levers” in electrically locking applications and allowing reliable operation even in poorly ventilated wood doors
- All-new RX switch monitors the inside lever with enhanced detection level that balances security with lever sensitivity
- New modular RX design – RX can be added on at a later time without opening the lock case
- Standard Allegion Connect quick-connect Molex system (can be cut off if traditional wiring splicing preferred)
- UL listed for 3 hour fire door

Available functions

Models without deadbolt

- No cylinders
  - L9090: Outside lever EL/EU
  - L9091: Both levers EL/EU
- Outside cylinder
  - L9092: Outside lever EL/EU*
  - L9093: Both levers EL/EU
- Inside and outside cylinders
  - L9094: Outside lever EL/EU
  - L9095: Both levers EL/EU**

Deadbolt Models

- Outside cylinder, inside thumbturn
  - L9492: outside lever EL/EU
  - L9493: both levers EL/EU
- Inside and outside cylinders
  - L9494: Outside lever EL/EU
  - L9495: Both levers EL/EU

Available options

- Request to Exit (RX)
- Latchbolt Monitor (LX)
- Door Position Sensor (DPS) - non-deadbolt functions only
- Deadbolt Monitor (DM) - deadbolt functions only

* L9092 replaces L9080EL/EU; ** L9095 replaces L9082EL/EU
Ordering instructions

Order using standard Schlage order form as follows:

Finish

605 Bright brass
606 Satin brass
609 Satin brass, blackened
612 Satin bronze
613 Oil rubbed bronze
619 Satin nickel
625 Bright chrome
626 Satin chrome
626AM Satin chrome anti-microbial
629 Bright stainless steel
630 Satin stainless steel
630AM Satin stainless steel anti-microbial
643e Aged bronze

Handing

LH (Left Hand)  RH (Right Hand)
LR (Left Hand Reverse)  RR (Right Hand Reverse)

Option

RX (Request to Exit), LX (Latchbolt Monitor), DPS (Door Position Sensor, available non-deadbolt models), DM (Deadbolt Monitor, available deadbolt models). See pricebook for additional lock options.

Note: Messaging indicators are not available for the L909x Series

About Allegion

Allegion (NYSE: ALLE) is a global pioneer in safety and security, with leading brands like CISA®, Interflex®, LCN®, Schlage® and Von Duprin®. Focusing on security around the door and adjacent areas, Allegion produces a range of solutions for homes, businesses, schools and other institutions. Allegion is a $2 billion company, with products sold in almost 130 countries. For more, visit www.allegion.com.
